CI-10X Payment Station

Compact cash recycling system

CI-10X Payment Station from Glory provides an easy and flexible solution for installing a cash recycling device at the point-of-sale. Payment can be moved away from the main counter and frees up staff time to dedicate more time to value-add activities.

As part of the CASHINFINITY™ solution, the CI-10X Payment Station is stylishly designed and is easy to integrate, without modification into existing store layouts.
